TAMMANY TURKEY TROT! NOVEMBER 26TH

The Our Lady of the Lake Tammany Turkey Trot takes to the streets of Covington again on Thanksgiving morning. Ready to experience the history of downtown Covington, or show it off to your visiting family and friends? Here's your chance to #EarnYourTurkey! Athletes will start their Thanksgiving run with the Northshore Food Bank as their backdrop just north of downtown Covington. From there, both 5K and 5 mile runners will make their way through downtown and into the splendor of moss-covered trees that line the streets. Close to St. Paul's High School runners will head slightly west before turning north. From there, it's a return trip for the finish line at the St. Tammany Courthouse! 5 Mile runners will finish their Turkey "tour" with a scenic jaunt further south past more beautiful homes before rejoining with the 5K course and heading north back to downtown.
