ADDENDUM #1

I. GENERAL REQUIREMENTS

The following addendum to plans and specifications shall be considered a part of the Contract Documents as if originally written and included in same. Where changes in materials or workmanship are made, same shall take precedence over original specifications. General Contractors are cautioned to bring to the attention of all subcontractors any changes which may affect their work.

II. PERTAINING TO THE CONTRACT DOCUMENTS

Do not break these documents into parts or sub-parts. Each contracting entity shall be responsible for all the work related to their trades wherever it may be shown within the contract documents package. The scope of the work for contractors, subcontractors, material suppliers, etc., cannot be determined by examining partial sets of documents. The entire set of drawings and specifications must be reviewed to ascertain the scope of work for each project element.

III. THE FOLLOWING CHANGES WERE MADE TO THE SPECIFICATIONS:
