PART 4 – BID RESPONSE FORMAT

4.1 Bids submitted for consideration should be signed by an authorized representative, be written in ink, or typewritten and should follow the format and order of presentation described below. Pencil and/or photocopied signatures disqualify the bid.

4.2 COVER PAGE

A cover page must be the first page of the package. The cover page must include: the submitting vendor name, vendor physical address, the title of this bid, submission due date and time, and the name of the contact person, their phone number, and email address.

A. Cover Letter: The cover letter should contain a summary of Bidder's ability to provide the materials or supplies described in the Bid Request and confirm that Bidder is willing to provide those materials or supplies and enter into a contract with the City.

ATTENTION: Please indicate in the Cover Letter which of the following applies to the signer of this bid. Evidence of signature authority shall be provided upon the City's request.

1. The signer of the bid is either a corporate officer who is listed on the most current annual report on file with the Secretary of State or a member of a partnership or partnership in commendams as reflected in the most current partnership records on file with the Secretary of State.*
   *A copy of the annual report or partnership record must be submitted to the City of Covington before contract award.

2. The signer of the bid is a representative of the Bidder authorized to submit this bid as evidenced by documents such as, corporate resolution, certification as to corporate principal, etc.**
   **A copy of the resolution, certification or other supportive documents must be attached to the Cover Letter.

The cover letter should also:

- Identify the submitting Bidder and provide their Federal Tax Identification number;
- Identify the name, title, address, telephone number, and email address of each person authorized by the Bidder to contractually obligate the Bidder.
- Identify the name, address, telephone number, fax number, and email address of the contact person for technical and contractual clarifications throughout the evaluation period.

B. **Financial Bid:** Bidder's fees and other costs shall be submitted on the forms provided as attachments hereto. Prices proposed shall be firm for the duration of the contract. This financial bid shall include any and all costs the Bidder wishes to have considered in the contractual arrangement with the City.

4.2 Legibility/Clarity

Responses to the requirements of this Bid Request in the formats requested are desirable with all questions answered. Bids prepared simply and economically, providing a straightforward, concise description of the Bidder's ability to meet the requirements of the Bid Request is also desired. Each Bidder is solely responsible for the accuracy and completeness of its bid.

PART 5 – INQUIRY PERIODS

An inquiry period is firmly set for all interested Bidders to perform a detailed review of the bid documents and to submit any written inquiries relative thereto. All inquiries must be received by the close of business on the Inquiry Deadline date set forth in the Schedule of Events of this Bid Request. Only those inquiries received by the established deadline shall be considered by the City. Inquiries received after the established deadline shall not be entertained.

Inquiries concerning this solicitation must be submitted by email to Caroline Lobaugh at clobaugh@covla.com.

An addendum will be issued at posted on the City website as well as on Central Bidding's website. No negotiations, decisions, or actions shall be executed by an Bidder as a result of any oral discussions with any City employee or City consultant. It is the Bidder's responsibility to check the City website and Central Bidding website for any possible addenda that may be issued.

Any person aggrieved in connection with the solicitation, or the specifications contained therein, has the right to protest. Such protest shall be made in writing to the Chief Administrative Officer (CAO) at least two days prior to the deadline for submitting bids.

PART 6 – GENERAL INFORMATION

6.1 The City reserves the right to revise any part of the Bid by issuing an addendum to the Bid.

6.2 For the purposes of this procurement, the provisions of the Louisiana Public Records Act (La. R.S. 44.1 et. Seq.) will be in effect. The cost bid will not be considered confidential under ay circumstance. Any bid copyrighted or marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse. The City reserves the right to make any bid, including proprietary information contained therein, available to City personnel, the Office of the Mayor, or other City agencies or organizations for the sole purpose of assisting the City in its evaluation of the bid.

6.3 Issuance of this Bid in no way constitutes a commitment by the City to award a contract. Award of the contract resulting from this Bid will be based upon the most responsive and responsible vendor whose offer will be the most advantageous to the City as outlined in this Bid.

6.4 The City reserves the right to change the Schedule of events or issue Addenda to the Bid Request at any time. The City also reserves the right to accept or reject, in whole or part, all Bids submitted and/or cancel this announcement if it is determined to be in the City's best interest.

6.5 In accordance with the provisions of R.S. 39:2192, in awarding contracts after August 15, 2010, any public entity is authorized to reject a bid or bid from, or not award the contract to, a business in which any individual with an ownership interest of five percent or more, has been convicted of, or has entered a plea of guilty or nolo contendere to any state felony or equivalent federal felony crime committed in the solicitation or execution of a contract or bid awarded under the laws governing public contracts under the provisions of Chapter 10 of Title 38 of the Louisiana Revised Statutes of 1950, professional, personal, consulting, and social services procurement under the provisions of Chapter 16 of this Title, or the Louisiana Procurement Code under the provisions of Chapter 17 of this Title.

6.6 A bidder/respondent may withdraw a bid that has been submitted and received up to twenty-four (24) hours prior to the date and time the qualifications statement is due. To withdraw a Bid, a written request signed by the authorized representative of the Bidder must be submitted to:

City of Covington
ATTN: Erin Stair, Chief Administration Officer
317 N. Jefferson Avenue
Covington, Louisiana 70433

6.7 All materials submitted in response to this request become the property of the City. Selection or rejection of a Bid does not affect this right.

6.8 Bids shall be based only on the material contained in this Bid Request. The Bid Request includes official responses to questions, addenda, and other material, which may be provided by the City pursuant to the Bid Request.

6.9 Only information which is in the nature of legitimate trade secrets or non-published financial

data may be deemed proprietary or confidential. Any material within a qualifications statement identified as such must be clearly marked in the qualifications statement and shall be handled in accordance with the Louisiana Public Record Act, R.S. 44:1-44 and applicable rules and regulations. Any qualifications statement marked as confidential or proprietary in its entirety may be rejected without further consideration or recourse.

6.10 The City is not liable for costs incurred by prospective bid/respondents prior to issuance of or entering into a contract. Costs associated with developing the qualifications statement, preparing for oral presentations, and any other expenses incurred by the bidder/respondent, and shall not be reimbursed in any manner by the City.

6.11 The City will not be liable for any error in the bid. Bidder will not be allowed to alter bid documents after the deadline for bid submission, except under the following condition: The City reserves the right to make corrections or clarifications due to patent errors identified in bids by the City or the Bidder. The City, at its option, has the right to request clarification or additional information from the Bidder

6.12 Bidders are responsible for determining that there shall be no conflict or violation of the Ethics Code if their company is awarded the contract. Ethics issues are interpreted by the Louisiana Board of Ethics.

6.13 All bids and materials submitted by the bid due date and time specified will become the property of the City. Selection or rejection of a response does not affect this right. All bids opened will be retained by the City and not returned to the bidders. Bids received after the due date and time specified will not be accepted or considered for award.

6.14 Bid guarantees shall be subject to forfeiture for failure on the part of the selected Bidder to execute a contract within seven (7) days after such contract is submitted to Bidder in conformance with the terms, conditions, and specifications of this solicitation.

6.15 The City reserves the right, at its sole discretion, to waive administrative informalities contained in any bid.

6.16 All bids shall be considered valid for acceptance until such time an award is made unless the Bidder provides for a different time period within its bid response. However, the City reserves the right to reject a bid if the Bidder's acceptance period is unacceptable and the Bidder is unwilling to extend the validity of its bid.

6.17 The selected Bidder shall be required to assume responsibility for all items and services offered in his bid whether or not he produces or provides them. The City shall consider the selected Bidder to be the sole point of contact with regard to contractual matters, including payment of any and all charges resulting from the contract

6.18 The mandatory Bid Request requirements shall become contractual obligations if a contract ensues. Failure of the successful Bidder to accept these obligations shall result in the rejection of the bid

PART 7 – EVALUATION AND SELECTION

The contract shall be awarded to the lowest responsible aggregate bidder, taking into consideration the conformity with the specifications and delivery availability and charges. Bids shall set forth the cost per unit on the provided forms. City of Covington will accept one price for each item unless otherwise indicated. Two or more prices for one item will result in bid disqualification. Individual orders will be placed under the contract. No minimum value is guaranteed.

The name of a particular brand, make or manufacturer in the specifications, as provided herein, is used only to denote the quality of standards, fit and compatibility of product desired and does not restrict bidders to the specific brand, make, manufacturer or specification name. Brand names are used only to set forth and convey to prospective bidders the general style, character, and quality of product desired. Equivalent products meeting the minimum specifications will be acceptable. Bids may be submitted for products of equal quality, fit and compatibility provided brand names and stock numbers are specified and completed product data is submitted with bid.

All prices shall be quoted in the unit of measure specified, and unless otherwise specified, shall be exclusive of State and Parish taxes. As per LSA-RS 47:301 et seq., all governmental bodies are excluded from payment of sales taxes to any Louisiana taxing body. All bids shall be based on FOB delivery to the Public Works Department in the City of Covington.

PART 8 – CONTRACT INFORMATION

8.1 Terms

One-year contract with the option to renew for two additional one-year terms.

8.2 Contract Negotiations

If for any reason the Bidder whose bid is most responsive to the City's needs, price and other evaluation factors set forth in the Bid Request considered, does not agree to a contract, that bid shall be rejected, and the City may negotiate with the next most responsive Bidder. Negotiation may include revision of non-mandatory terms, conditions, and requirements. City must approve the final contract form and issue a purchase order, if applicable, to complete the process.

8.3 Contract Award and Execution

The City reserves the right to enter into a contract without further discussion of the bid submitted based on the initial offers received. The Bid Request, including any addenda, and the bid of the selected Bidder will become part of any contract initiated by the City.

If the contract negotiation period exceeds thirty (30) days or if the selected Bidder fails to sign the contract within seven calendar days of delivery of it, the City may elect to cancel the award and award the contract to the next-highest-ranked Bidder.

Award shall be made to the Bidder with the lowest aggregate price, whose bid, conforming to the Bid Request, will be the most advantageous to the City of Covington, price and other factors considered. The City intends to award a single Bidder.

8.4 Notice of Intent to Award

Upon review and approval for award, the City will issue a "Notice of Intent to Award" letter to the apparent successful Bidder. A contract shall be completed and signed by all parties. Any person aggrieved by the proposed award has the right to submit a protest in writing, in accordance with RS: 39:1671, to the Chief Administrative Officer (CAO), within fourteen days of the award/intent to award.

8.5 Payment

The City shall pay the Bidder in accordance with the Pricing Schedule set for in an attachment hereto. The Bidder may invoice the City monthly at the billing address designated by the City. Payments will be made by the City within approximately thirty (30) days after receipt of a properly executed invoice, and approval by the City. Invoices shall include the contract and order number, using department and product purchased. Invoices submitted without the referenced documentation will not be approved for payment until the required information is provided.

8.6 Contract Changes

No additional changes, enhancements, or modifications to any contract resulting from this Bid Request shall be made without the prior approval of City. Changes to the contract include any change in: compensation; beginning/ ending date of the contract; and/or Bidder change through the Assignment of Contract process. Any such changes, once approved, will result in the issuance of an amendment to the contract.

8.7 Assignment

The Bidder shall not assign any interest in the contract by assignment, transfer, or novation, without prior written consent of the City. This provision shall not be construed to prohibit the Bidder from assigning his bank, trust company, or other financial institution any money due or to become due from approved contracts without such prior written consent. Notice of any such assignment or transfer shall be furnished promptly to the City.

8.8 No Guarantee of Quantities

The City does not obligate itself to contract for or accept more than the actual requirements during the period of the contract, as determined by actual needs and availability of appropriated funds.

8.9 Civil Rights Compliance

The Bidder agrees to abide by the requirements of the following as applicable: Title VI and Title VII of the Civil Rights Act of 1964, as amended by the Equal Opportunity Act of 1972, Federal Executive Order 11246, the Federal Rehabilitation Act of 1973, as amended, the Vietnam Era Veteran's Readjustment Assistance Act of 1974, Title IX of the Education Amendments of 1972, the Age Act of 1975, and Bidder

agrees to abide by the requirements of the Americans with Disabilities Act of 1990. Bidder agrees not to discriminate in its employment practices and will render services under the contract and any contract without regard to race, color, religion, sex, national origin, veteran status, political affiliation, or disabilities. Any act of discrimination committed by Bidder, or failure to comply with these statutory obligations when applicable shall be grounds for termination of the contract.

8.10 Audit of Records

The City shall have the option to audit all accounts directly pertaining to the resulting contract for a period of five (5) years after project acceptance or as required by applicable City and Federal law. Records shall be made available during normal working hours for this purpose.

8.11 Record Retention

The Bidder shall maintain all records in relation to the contract for a period of at least five (5) years after final payment.

8.12 Record Ownership

All records, reports, documents, or other material related to any contract resulting from this Bid Request and/or obtained or prepared by Bidder in connection with the contract herein shall become the property of the City and shall, upon request, be returned by Bidder to the City, at Bidder's expense, at termination or expiration of the contract.

8.13 Content of Contract/Order of Precedence

In the event of an inconsistency between the contract, the Bid Request and/or the Bidder's Bid, the inconsistency shall be resolved by giving precedence first to the final contract, then to the Bid Request and subsequent addenda (if any) and finally, the Bidder's Bid.

8.14 Contract Changes

No additional changes, enhancements, or modifications to any contract resulting from this Bid Request shall be made without the prior approval of City. Changes to the contract include any change in: compensation; beginning/ ending date of the contract; and/or Bidder change through the Assignment of Contract process. Any such changes, once approved, will result in the issuance of an amendment to the contract.

8.15 Governing Law

All activities associated with this Bid Request process shall be interpreted under Louisiana Law. All bids and contracts submitted are subject to provisions of the laws of the City of Covington including but not limited to L.R.S. 39:1551-1736; purchasing rules and regulations; executive orders; standard terms and conditions; special terms and conditions; and specifications listed in this Bid Request.

8.16 Claims or Controversies

Any claims or controversies shall be resolved in accordance with the Louisiana Procurement Code, RS39:1673.

8.17 Anti-Kickback Clause

The Bidder hereby agrees to adhere to the mandate dictated by the Copeland "AntiKickback" Act which provides that each Bidder shall be prohibited from inducing, by any means, any person employed in the completion of work, to give up any part of the compensation to which he is otherwise entitled.

8.18 Anti-Lobbying and Debarment Act

The Bidder will be expected to comply with Federal statutes required in the Anti-Lobbying Act and the Debarment Act.

8.19 Price Schedule

Prices proposed by the Bidders should be submitted on the price schedule furnished herein on **Attachment "A"**.

8.20 Location

All materials/supplies should be delivered to the Public Works Department located at 1300 W. 27th Avenue, Covington, LA 70043.

8.21 Financial Bid

Prices proposed by the Bidders should be submitted on the price schedule furnished in an Attachment hereto. Prices proposed shall be firm. The information provided in response to this section will be used in the Financial Evaluation to calculate lowest evaluated cost.

PART 9 – TERMINATION

9.1 Termination of the Contract for Cause

The City may terminate the contract for cause based upon the failure of the Bidder to comply with the terms and/or conditions of the contract, or failure to fulfill its performance obligations pursuant to the contract, provided that the City shall give the Bidder written notice specifying the Bidder's failure. If within thirty (30) days after receipt of such notice, the Bidder shall not have corrected such failure or, in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure, and thereafter proceeded diligently to complete such correction, then the City may, at its option, place the Bidder in default and the contract shall terminate on the date specified in such notice.

City of Covington reserves the right to cancel all or any part of the contract if orders are not shipped in the delivery time specified. The City of Covington reserves the right to cancel any contract at any time and for any reason by issuing a thirty (30) day written notice to the Bidder and/or vendor.

The Bidder may exercise any rights available to it under Louisiana law to terminate for cause upon the failure of the City to comply with the terms and conditions of the contract, provided that the Bidder shall give the City written notice specifying the City's failure and a reasonable opportunity for the City to cure the defect.

9.2 Termination of the Contract for Convenience

The City may terminate the contract at any time by giving thirty (30) days written notice to the Bidder of such termination or negotiating with the Bidder an effective date. The Bidder shall be entitled to payment for deliverables in progress.

9.3 Termination for Non-Appropriation of Funds

The continuance of the contract is contingent upon the appropriation of funds to fulfill the requirements of the contract by the council. If the council fails to appropriate sufficient monies to provide for the continuation of the contract, or if such appropriation is reduced by the veto of the Mayor or by any means provided in the appropriations act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.
